- Seventh grade students may choose either the Exploratory Rotation or a Performance Music class. In a Performance Music class students remain in that class for the entire year (Band, Chorus, or Strings). The Exploratory Rotation is made up of standard classes that rotate every 9 weeks.
 Exploratory Rotation OR Performing Music
- Students will be assigned to an academic enrichment or intervention class based on 6th grade data. Those students who qualify for world language may take French A or Spanish A (both high school credit courses) during this time or another Related Arts time during the day.

The related arts classes **will be chosen for the student based on availability**.

For more information regarding related arts courses, feel free to use this contact information for the respective teachers shown below:
