

## Franklin Special School District Zoom Parent/Guardian Permission Slip

This year FSSD will use the Zoom video conferencing app for teachers to hold class meetings for instruction, assessment, and various forms of collaboration. Teachers will allow entrance to Zoom meetings to *only* their students or the students' parents or guardians. Zoom is a critical component of our remote and virtual learning scenarios and one of the primary ways by which teachers will deliver instruction.

Please complete and sign below if you grant permission and agree to the policies and provisions outlined below:

\_\_\_\_\_ I grant permission for my child to participate in live Zoom class meetings, which may be recorded and uploaded to Google Classroom, during remote or virtual learning with the understanding that students' last names and confidential personal information will not be shared. I understand that during remote and virtual learning my child may be visible to those participating in the Zoom meetings (to potentially include teachers, other students, school or district administrators, paraprofessionals, caregivers, and parents/guardians of students).

\_\_\_\_\_ I agree that I will not publicly share photographs or audio/video recordings of my child's class Zoom meetings in order to protect student privacy.
